Crucible Still Showing
Strength.

NEW YORK, Feb. 21.—The stock market opened irregular today and only moderately active.

United States Steel was down 1/4, Crucible was unchanged at the start, but soon sold up. Pacific Mail was up 1/4 at 20, and Marine preferred sold up 1/4 at 72 soon after 10 o'clock.

A reactionary movement carried copper and industrial down during the first hour. Marine preferred and common both were strong.

During the second hour but 40,000 shares were sold and price changes were unimportant. Continental Can sold up 1/4, to 20 shortly after noon. Southern Porto Rican Sugar was a spectacular figure advancing 8% to 17 1/2, a new high record.

By District Grand Jury

The grand jury, before Justice Covington, in Criminal Court No. 1, today returned an indictment charging first degree murder against John L. Saunders, colored.

The crime is alleged to have been committed in Twenty-fourth street, between G and H streets northwest, January 3, last, when, after a quarrel, Saunders killed his wife, Rebecca Saunders, with a pistol.

Henry V. Plummer, a colored lawyer, was indicted for embezzlement, the true bill charging that while executor of the estate of America V. Johnson, he converted \$402.12 to his own use.

Irregular—Adjournment Is

Active issues became slightly irregular in the light market that prevailed on the Washington Stock Exchange today. Stocks of the Washington Railway and Electric Company and Lanston Monotype enjoyed fractional advances. Capital Traction stock and bonds, on the other hand, eased off.

After five shares of Washington Railway and Electric common stock had sold at 86 1/2, the bid price was advanced 1/4 point to 86. Odd lots of the preferred stock of the same company, totaling thirty-five shares, were traded in an advancing scale that ranged from 8 1/2 to 8 1/4.

Lanston, likewise, sold on a fractional advance, thirty-one shares changing hands at 67 1/2 to 68. The bid for quotations was raised 1/4 of a point to 67 1/2. The only other sales consisted of five shares of Washington Gas stock at 70 1/2 and a 500 Capital Traction 5 per cent bond at 100 1/2.

The exchange adjourned until Wednesday in observance of Washington's Birthday.

James A. Cahill, vice president of the Commercial National Bank, is at Atlantic City to spend the Washington birthday holiday.

Fifty Are Poisoned at
Church Banquet

PITTSBURGH, Feb. 21.—Residents of Carnegie are alarmed over two church poisonings within a week, the latest victims being persons who attended a supper in the Methodist Episcopal Church Friday night.

One week earlier patrons of a supper at the Protestant Episcopal Church were stricken similarly. None who attended the Methodist supper felt ill at the time, but Saturday physicians were kept busy attending to calls. Victims complained of violent nausea and weakness. A few of the cases are serious, but all are expected to recover.

Dr. J. A. Hanna said the symptoms pointed to arsenical poisoning. Following closely upon the Episcopal Church soup plot fresh in their minds, the stricken patrons of the supper were terrified. Physicians of the borough differ as to the probable cause of the illness. While a quiet investigation is being made, there is no open suspicion of foul play.

The Rev. Dr. John F. Jones, pastor of the Methodist Episcopal Church, of Carnegie, attended the dinner, but ate only a few of the dishes served, and was not among the victims.

One phase of the case that is puzzling the physicians is that while about fifty persons fell ill, hundreds were only slightly affected.

Former Cadets Plan
